

## COVID-19 Recovery Rate, starting June 1, 2020

Dear Valued Customers:

Please be advised that the Government of Ontario has introduced a COVID-19 Recovery Rate of 12.8¢/kWh for all time-of-use (TOU) electricity customers, to support Ontarians as we restart the economy.

Households, farms and small businesses who pay time-of-use electricity rates will be charged this fixed rate 24 hours a day, seven days a week, starting June 1, 2020.

This rate will be automatically reflected on TOU customers' electricity bills for all three TOU periods, 24 hours a day, seven days a week, and is intended to be in place until October 31, 2020.
