

This application is required for early consultation with Algoma Power Inc. (API) to provide an Offer to Connect for a new or upgraded service, or for a modification to an existing service.

Note: API must be contacted at least 24 hours in advance if you are unable to be present for the site visit. A fee will be charged for additional site visits due to changes requested by the customer/contractor or if items below are not satisfied.

PRIOR TO SITE VISIT (please check & initial below to indicate completed):

1. Property bar locations are found, & both the building footprint, and all proposed pole locations are staked. Initials _____
2. The customer or a representative **MUST** be present for the site visit. Please indicate below who should be contacted to schedule the site visit. Customer Contractor/Representative
3. If disconnection of an existing service is required to complete the work requested below, I understand that a Reconnection Charge of \$185.00+HST will be billed to my account after the work has been completed. This charge **WILL NOT** be included on the Estimate included with the Offer to Connect. Initials _____
4. Please indicate how you would like to receive your completed Offer to Connect package:
Canada Post Fax Email to: _____
